

**Freight Terms** (effective 08/01/2018)

Freight terms and pricing will be evaluated on a quarterly basis and are subject to change based on market conditions. This policy applies to all products distributed by Climatic Comfort Products. This pricing will be applied to each order or group of orders approved by the customer to be released for shipment.

This policy applies to all HVAC/HVAC related products purchased through Climatic Comfort Products. All chemicals and refrigerant purchases are Customer Pick Up only. If product is not available in your Store Location but available in another Store Location, it may take up to 3 business days to receive and may also be subject to additional freight costs.

Residential deliveries and tailgate deliveries are subject to additional charges.

**CCP FREIGHT TABLE**
